

QUAKER MEETINGS IN SOUTHWEST OHIO
including
OTHER MEETINGS IN WILMINGTON YEARLY MEETING
and
OTHER MEETINGS IN OHIO VALLEY YEARLY MEETING

DRAFT: The details contained herein are still being researched, and all paragraphs are subject to change. This version is circulated only to assist in locating meetings prior to the publication of the complete index.

Some Notes on Nomenclature:

"Established" refers to the date on which a superior meeting approved or authorized the subject meeting. It does not refer to the first session of the meeting unless no other information is available. Similarly, "laid down" refers to the date of action by a superior meeting and not to the closing session.

Meetings in the Northwest Territory established during the period from 1801 to 1812 were all subordinate to Baltimore Yearly Meeting and those from 1813 to 1821 to Ohio Yearly Meeting. This index includes no separate reference to those parent yearly meetings. A meeting established prior to 1821 is shown as subordinate to the yearly meeting to which its parent monthly or quarterly meeting was eventually attached.

"Ohio Valley Yearly Meeting" refers to that body known as Indiana Yearly Meeting (General Conference) from 1900 to 1975 and as Indiana Yearly Meeting (Hicksite) from 1828 to 1900. A meeting that was part of Indiana Yearly Meeting prior to 1828 is listed as subordinate to Ohio Valley Yearly Meeting if the members affiliated with the Hicksite branch after the Separation.

"Wilmington Yearly Meeting" includes meetings that were part of Miami, Center or Fairfield Quarterly Meetings of Indiana Yearly Meeting (Orthodox) during the period from 1821 to 1892, unless the meeting was before 1892 set off as part of a new quarterly meeting, such as Eastern. In Tennessee, the term includes all meetings under Lost Creek or Friendsville Quarterly Meetings.

Miami and Center Quarterly Meetings of Wilmington Yearly Meeting united on August 8, 1969 as Miami-Center Quarterly Meeting. No separate reference is made to Miami-Center except with regard to meetings that first affiliated after 1969/08/08.
