

CINCINNATI BRANCH

Bachelor of Arts in Accounting

The accounting major at Wilmington College is designed to prepare students for a wide variety of career options in public accounting, industry, and government. In recognition of the role of accounting in today's economy, the program emphasizes development of both the ability to use the outputs of the accounting process and the skills necessary to design, operate, and manage accounting by seeking to achieve professional designation in one or more of the following: Certified Public Accounting (CPA), Certified Management Accountant (CMA), and Certified Internal Auditor (CIA).

Required Courses
